

OTTAWA COUNTY **MULTIPARTISAN** VOTER GUIDE

The Organize District 9 PAC is a multi-partisan group that formed to oppose the take-over of our government and school boards by Ottawa Impact, a far-right extremist group. Thanks to many of you, the results of the August primary were very encouraging, but our job is not yet finished. Ottawa Impact has targeted the Grand Haven School Board, and some Township and County Seats are still vulnerable.

Based on our research, we encourage you to support the following candidates in the November General Election:

Grand Haven School Board: In assessing candidates, we were looking for demonstrated interest in public education, support for creating a welcoming environment for all students, fiscal responsibility and commitment to investment in Grand Haven Schools.

Kristal Boyd – 6 Year Term

Cyndi Casemier – 6 Year Term

Heather Herrygers - Partial Term

Ottawa County Board of Commissioners (District 9)

Phil Kuyers (R)

Angela Stanford-Butler (D)

Robinson Township Trustee

Jane Longstreet (D)
